

You can now upload forms to any individual file for your athletes. We would recommend uploading any return to play notifications from doctors.

Simple follow these steps.

1. From the players profile – select “Forms” from the left hand toolbar

David Bookstaff

Missing Checklist
David Bookstaff has not filled out a daily symptom checklist within the last 24 hours.

3. Then “Add File”

4. A pop up will appear, simply follow the directions to add a file. If your document is a paper copy, you will need to scan it first and then upload the scanned file.
